

Dear Circle of Nations School Family,

We would like to thank you for your patience and support as we prepare for the safe reopening of the 2020-2021 school year. While we are in the business of educating, our first priority is the safety of our students and our employees. After much deliberation, the CNS School Board and Administrators have decided upon the following re-entry plan:

Distance Learning – Off Campus

Sept. 16, 2020 – Start Date for Distance Learning will be offered to all qualifying students. A completed application must be submitted in order to be considered for this option. *Distance Education will be online learning provided to accepted/enrolled students. Chrome books and hotspots will be provided if accepted.

On Campus Learning – At Circle of Nations School

January 4, 2021 – Tentative Start date. It is our hope to have students return to campus for traditional education for 2nd semester. Discussion and planning for this will be revisited later this year.

We are hoping this plan will help provide a smooth transition for our students from Distance Learning at home to On Campus Learning at CNS during the 2020-2021 School Year. Please stay tuned for more updates and please reach out if you have questions.
